## SPSmedical Audio Seminars

Speaker: Chuck Hughes

### Upcoming Seminars Include:

Low Temperature  
Sterilization Processes  
**December 19, 2007**

Chemical Indicators: Class 5  
Integrating Indicators  
**January 16, 2008**

Sterilization & Infection  
Control: A Systems  
Approach  
**February 20, 2008**

Eliminating Sterile Outdates  
**March 19, 2008**

### DESCRIPTION

SPSmedical is sponsoring 60 minute Audio Seminars to assist health care facilities and medical device manufacturers in their Infection Control training. Each program is approved for 1.0 CEUs through IAHCSSM or CBSPD and includes; program handouts, Certificates of Participation and Q&A session.

### SPEAKER

Charles "Chuck" Hughes is the General Manager/Educator for SPSmedical Supply Corp. and a member of AAMI, AORN, APIC, ASHCSP, CSA, IAHCSSM, and OSAP. He has worked over 25 years in the manufacturing industry in areas of R&D, Regulatory Affairs, Microbiology, Marketing and Sterilization Training. Awarded "Educator of the Year" by the Inland Empire Chapter of ASHCSP in 2004 and he received the "Award of Honor" from IAHCSSM in 2005. In 2006, Chuck was inducted into the first ever issue of "Who's Who in Infection Prevention" by the readers of Infection Control Today.

### PRICE

\$29.95 USD for an individual Audio Seminar.  
\$19.50 USD each for all remaining Audio Seminars in 2008.

### AUDIO SEMINAR BENEFITS

Saves time and money (there is no travel) · Inexpensive (fee is per facility, not per participant) · Individual or group attendance via speaker phone · 100% participation via 30 day taped play back on internet for staff unable to attend the live broadcast.

6789 W. Henrietta Road  
Rush, NY 14543  
(800) 722-1529

SPSmedical is the largest sterilizer testing laboratory in North America with over 50 sterilizers and a dedicated staff. We provide sterility validation services to medical device manufacturers and sterilization consulting services to health care facilities. SPSmedical manufactures a comprehensive line of sterility assurance products for Infection Prevention. ## SPSmedical Audio Seminars

### How Do They Work?

1. Register your facility for an individual Seminar for \$29.95 USD or register for all remaining 2008 Seminars for \$19.50 USD each. *Note: This is a per facility cost and not a per person cost.*
2. Two days before each Seminar, SPSmedical e-mails registrants a link to download the presentation handout and a **toll free** number for the live broadcast. You can call in individually or as a group via a speaker phone. *Note: Limit one call in per facility.*
3. Anytime prior to the Seminar, registrants may e-mail **questions** regarding the topic or **areas** you would like to see emphasized for inclusion in the live broadcast presentation. Frequently asked questions will be answered during the Q&A session at the end of each program.
4. After each Seminar, SPSmedical e-mails registrants an internet link to download the Certificates and a link of the recorded Seminar to make available to staff unable to attend the live broadcast. All staff who participate (live or via the taped internet link) receive Certificates and CEUs. *Note: Each taped Seminar will be available via the internet link for 30 days.*

### Payment & Registration?

Facility purchase order (PO) is acceptable, as well as personal check, MasterCard or Visa credit card. Simply fill out the Registration form and then call, fax or mail to:
